

CQA Seventh Edition Changes

January, 2011

- **Improved the quality of equations and graphics**
- **Updated ISO 9001 and other standards, commissions, and agencies**
- **Modernized the Baldrige National Quality Program Criteria**
- **Incorporated the current ASQ Code of Ethics**
- **Reworked all questions into a more modern format**
- **Identified the applicable ASQ BOK on each Primer page**
- **Updated references**

The page count and alignment is consistent with the previous CQA 6th Edition.
