

**CQIA Primer 2006, 2nd edition Changes
June 7, 2006**

- 1. The number of Primer pages stayed approximately the same.**
- 2. The Section titles stayed the same.**
- 3. Only 3 or 4 significant content changes were made.**
- 4. The question weighting changed by + 6%.**
- 5. A number of items were shuffled to comply with the new Body of Knowledge.**
- 6. Dozens of small enhancements were made: Deming 94% - 6% ratio, "tell-ems" at the start of each Section, drawing shading, quality cost charts, control chart interpretations, an improved index, etc.**
- 7. The Primer, Solutions Text, and CD are all revised and in agreement.**
