

CSQP Exam

Objective

To provide supplier quality fundamental training and to prepare persons interested in taking the CSQP examination.

Certification

Certification is the independently verified prescribed level of knowledge as defined through a combination of experience and examination.

The CSQP

The Certified Supplier Quality Professional possesses key knowledge and passes the related ASQ exam.

Eligibility

CSQP exam participants must register with ASQ headquarters. There is a requirement for 8 years of on the job experience, with a number of waivers. These include formal education and certification in the CQA, CMQ, CSQE, or CRE areas.

Cost

The national test fee is determined by ASQ and is detailed in the CSQP brochure or on-line.

Location

All exams will be administered by Prometric.

Duration

The test lasts 4.5 hours and begins at an advised time. The exam is open book and consists of multiple choice questions. Exams will be given multiple times per year. With Prometric there will be some flexibility in test times.

CSQP Exam (Continued)

Other Details

Additional information can be obtained by calling ASQ headquarters at 1-800-248-1946 or 1-800-952-6587. Ask for the certification department. They will send a CSQP Brochure free of charge. The web address for ASQ is <http://www.asq.org>

Bibliography Sources

The CSQP student should obtain the bibliography furnished by ASQ. Some of the sources recommended by the authors include:

Supplier Management Handbook, 6th edition

Supply Chain Management Demystified

The ASQ Supply Chain Management Primer

The CSQP Handbook (under development)

Supply Chain Management, 5th edition
